

CENTRAL HARDIN HIGH SCHOOL MARCHING BAND

The “Discipline” Clause

- Marching Band depends on EVERY Student participating in performance and competitions.
- When a student is missing, the resulting “hole” creates problems for the entire show
- Each Student’s participation in marching band is fulfilled through commitment to the whole group and being in attendance at all performances
- **POLICY:** In order to participate in CHHS Marching Band, Parents must agree that Marching Band will not be used as punishment. That is, students will not be pulled out of performances and rehearsals as a form of punishments such as grounding or other.

_____ I agree with the Discipline Clause and will not use marching band as a Disciplinary Action by keeping my child from performing at rehearsals, football games, or contests.
