

Central Hardin High School Band

**KMEA All-State First Round Auditions
FDBDA Symphonic Band Auditions**

Tuesday, Nov. 20, 2018

The KMEA First Round Auditions will be held on Tuesday, Nov 20, 2018 at John Hardin High School. This audition is for selection into the All-District Symphonic Band as well as for being moved onto the second round All-State Audition.

Students should arrive to John Hardin High School in advance of their audition to warm up and prepare for the audition. Students should bring their own instrument, audition music, and items needed for their instrument (reeds, valve oil, drum sticks, mallets, etc...)

Since this is a “blind audition”, students can dress comfortably and do not need to dress up.

The auditions will begin at 7:00 PM and will run until they are finished.

Once a student’s audition is over, they do not have to wait for results. Results will not be posted on Tuesday. They will be posted (for CHHS students) on the CHHS Band website (centralhardinband.org) when they are available.

Students will be given an audition ID Number and an audition time. This time may be approximate, but it is important to be at your room on time so that you are not skipped.

It is important to know your audition ID Number and make sure that it is relayed to the judges properly by the room monitor as this is the only way to connect your score to your name after the audition scores are submitted by the judge.

Write your audition ID Number here: _____

Write your audition TIME here: _____
