2019 KMEA LARGE ENSEMBLE PERFORMANCE ASSESSMENT

Hardin County School's Performing Arts Center

March 25 and 26, 2019

KMEA Large Ensemble Performance Assessment (formerly known as Concert Festival) is an annual event for KMEA member schools. Four highly qualified judges score each band on prepared music and sight-reading. Each band is placed in a category based on the level of difficulty of the music selected for the prepared musical selections. This is one of our most important performances of each school year.

The performance schedule is set by KMEA and is as follows:

Wind Ensemble Performance: Monday, March 25 @ 8:30 PM

Symphonic Band Performance: Tuesday, March 26 @ 8:00PM

The full schedule for each band is on the back.

Students must wear their black concert attire (tuxes and dresses).

We will use Hardin County Bus transportation for this assessment event.
